A note

from our Founder & Director

Matt Hartsell

Christmas is evidence that God is willing to go to *extremes* to show that He is Crazy about us.

I think it was His way of flagging us down and saying, “I see you... and I LOVE you”.

As a result, He nudges us to, in turn, love others tangibly. He desires that we demonstrate compassion to those kicked to the side of the road; those sidelined by injustices-- like life-altering poverty. The unlovely. The bullied.

You are called to be a “pencil in God’s hand,” as Mother Teresa often said.

I am asking you, in light of all that God has done for you, to BE HIS PENCIL--to make a financial sacrifice for others on the other side of the planet.

They have names, hopes, and dreams. But, they need an advocate like you to step in on their behalf.

Kipindi Mpitio is one tangible way. Orphans and vulnerable children involved in our sponsored programs in Uganda are getting older. Kipindi Mpitio (translated - “transition period”) will be a safe haven for these young adults to come for one year and be trained and disciplined for a successful launch into adulthood. Lord willing, we will begin construction in 2021.

Remember, you are not giving to FCW, but through FCW to make a Kingdom impact.

Thank you! **KIPINDI MPITO**
